

CICLOS DE CONFERENCIAS

*Conferencias de divulgación científica de la Real Sociedad Española de Física
en colaboración con la Fundación Ramón Areces
Ciclo Hablemos de Física, Facultad de Ciencias Físicas (UCM)*

Ciclo especialmente orientado a estudiantes

Have fun with numbers and become rich or famous

SIR MICHAEL F. ATIYAH, OM, FRS
School of Mathematics, University of Edimburgh
Fellow of Trinity College Cambridge
Fields Medal (1966), Abel Prize (2004)

We all play with numbers in games or sport or gambling. This is fun but it can also be serious and profitable. Hit the jack-pot and you become rich, invent a new number and you become famous like Archimedes who invented π . Why not try to be the new Archimedes?

Jueves 3 de mayo 2018. 12:30 h
